[anage](#)

RRID:SCR_001470

Type: Tool

Proper Citation

anage (RRID:SCR_001470)

Resource Information

URL: <http://genomics.senescence.info/species/>

Proper Citation: anage (RRID:SCR_001470)

Description: Curated database of aging and life history in animals, including extensive longevity records and complementary traits for > 4000 vertebrate species. AnAge was primarily developed for comparative biology studies, in particular studies of longevity and aging, but can also be useful for ecological and conservation studies and as a reference for zoos and field biologists.

Abbreviations: AnAge

Synonyms: Animal Ageing and Longevity Database, AnAge Database of Animal Ageing and Longevity, AnAge: The Animal Ageing and Longevity Database

Resource Type: data or information resource, database

Defining Citation: [PMID:23193293](#)

Keywords: senescence, comparative biology, longevity

Related Condition: Healthy aging, Aging, Healthy

Availability: Free, Freely Available

Resource Name: anage

Resource ID: SCR_001470

Alternate IDs: nlx_152700

License: Creative Commons Attribution License, v3 Unported

Record Creation Time: 20220129T080207+0000

Ratings and Alerts

No rating or validation information has been found for anage.

No alerts have been found for anage.
