## EuMMCR

RRID:SCR\_001506

Type: Tool

---

### Proper Citation

EuMMCR (RRID:SCR\_001506)

---

### Resource Information

**URL:** <https://www.eummc.org/>

**Proper Citation:** EuMMCR (RRID:SCR\_001506)

**Description:** Embryonic stem cell distribution unit that distributes material arising within European Conditional Mouse Mutagenesis Program consortium, currently targeting vectors and ES cells. Upon user request EUComm grow targeting vectors from glycerol stocks and prepare vector DNA. Identity of vector is verified by restriction mapping. Upon user request EUComm thaw, expand and re-freeze several aliquots of desired ES cell clone. Standard controls include PCR based assay. Upon additional request EuMMCR unit develops genotyping PCR, which can be used to genotype chimeric mice that may be generated using those ES cell clones.

**Abbreviations:** EuMMCR

**Synonyms:** EuMMCR - European Mouse Mutant Cell Repository, European Mouse Mutant Cell Repository

**Resource Type:** biomaterial supply resource, cell repository, material resource

**Keywords:** embryonic stem cell, vector, experimental protocol, male, dna, genotype

**Availability:** Free, Freely available

**Resource Name:** EuMMCR

**Resource ID:** SCR\_001506

**Alternate IDs:** nlx\_152805

**Alternate URLs:** <http://www.eummc.org/>

**Record Creation Time:** 20220129T080207+0000

**Record Last Update:** 20260912T200052+0000

---

## Ratings and Alerts

No rating or validation information has been found for EuMMCR.

No alerts have been found for EuMMCR.
