International Mouse Strain Resource

RRID:SCR_001526

Type: Tool

Proper Citation

International Mouse Strain Resource (RRID:SCR_001526)

Resource Information

URL: <http://www.findmice.org/index.jsp>

Proper Citation: International Mouse Strain Resource (RRID:SCR_001526)

Description: Database of mouse strains and stocks available worldwide, that will assist international research community in finding mouse resources they need, including inbred, mutant, and genetically engineered mice. IMSR is multi institutional international collaboration supporting use of mouse as model system for studying human biology and disease. IMSR began with initial collaboration between Mouse Genome Informatics (MGI) group at Jackson Laboratory and Medical Research Council Mammalian Genetics Unit at Harwell. Additional institutions and collaborators are now contributing mouse resource information to IMSR. Data content found in IMSR is as it was supplied by data provider sites. You are encouraged to participate in making this database as complete as possible for all worldwide mouse strain resources. If you or your institution hold mice, cryopreserved gametes or embryos, or ES cell lines that you distribute to other researchers, contributing information about them to IMSR catalog will make them more widely known.

Abbreviations: IMSR

Synonyms: IMSR, International Mouse Strain Resource

Resource Type: biomaterial supply resource, material resource, organism supplier

Defining Citation: [PMID:10098412](#), [PMID:26373861](#)

Keywords: RIN, Resource Information Network, mouse, strain, stock, inbred, mutant, genetically engineered, embryo, embryonic stem cell line, database, knockout mouse, mutant mouse strain, transgenic mouse, embryonic mouse, live mouse, gamete, ovary, sperm, germplasm, model organism, RRID Community Authority

Funding: NLM LM009693

Availability: Restricted

Resource Name: International Mouse Strain Resource

Resource ID: SCR_001526

Alternate IDs: nif-0000-09876

Alternate URLs: <http://www.findmice.org/>

Record Creation Time: 20220129T080208+0000

Record Last Update: 20260905T132435+0000

Ratings and Alerts

No rating or validation information has been found for International Mouse Strain Resource.

No alerts have been found for International Mouse Strain Resource.
