Chilibot: Gene and Protein relationships from MEDLINE

RRID:SCR_001705

Type: Tool

Proper Citation

Chilibot: Gene and Protein relationships from MEDLINE (RRID:SCR_001705)

Resource Information

URL: <http://www.chilibot.net/>

Proper Citation: Chilibot: Gene and Protein relationships from MEDLINE (RRID:SCR_001705)

Description: Data analysis service that searches PubMed literature database (abstracts) about specific relationships between proteins, genes, or keywords using a NLP-based text-mining approach. The results are returned as a graph. The synonym database used in Chilibot is available, without fee, for academic use only. Several different search methods are supported including: * searching for relationship between two genes, proteins or keywords * searching for relationships between many genes, proteins, or keywords * searching for relationships between two lists of genes, proteins, or keywords Advanced options include: * Automated hypothesis generation (graph) * Restricting context using keywords * Providing your own synonyms * Modifying synonyms provided by Chilibot * Color coding nodes with gene expression values * Special search: modulation

Abbreviations: Chilibot

Synonyms: Chilibot - Mining PubMed for relationships

Resource Type: analysis service resource, data analysis service, data or information resource, database, production service resource, service resource

Defining Citation: [PMID:15473905](#)

Keywords: drug, gene, literature, natural language processing, protein, text-mining, network, keyword, biological concept, graph, bio.tools

Funding: PHS DA-03977

Availability: THIS RESOURCE IS NO LONGER IN SERVICE

Resource Name: Chilibot: Gene and Protein relationships from MEDLINE

Resource ID: SCR_001705

Alternate IDs: OMICS_01176, nif-0000-10196, biotools:chilibot

Alternate URLs: <https://bio.tools/chilibot>

Record Creation Time: 20220129T080209+0000

Record Last Update: 20260905T132438+0000

Ratings and Alerts

No rating or validation information has been found for Chilibot: Gene and Protein relationships from MEDLINE.

No alerts have been found for Chilibot: Gene and Protein relationships from MEDLINE.
