NCI Metathesaurus

RRID:SCR_003565
Type: Tool

Proper Citation

NCI Metathesaurus (RRID:SCR_003565)

Resource Information

URL: http://ncim.nci.nih.gov/ncimbrowser/

Proper Citation: NCI Metathesaurus (RRID:SCR_003565)

Description: A wide-ranging biomedical terminology database that covers most terminologies used by NCI for clinical care, translational and basic research, and public information and administrative activities. NCIm features: * Maps 4,000,000 terms from more than 75 sources into 2,000,000 biomedical concepts that represent their meaning. * Displays preferred terms, synonyms, definitions, and other information from each source. * Links to NCI Thesaurus and other related information sources. * Contains 22,000,000 cross-links between content elements. * Updated frequently by a team of biomedical terminology and subject matter experts. NCIm contains most public domain terminologies from the National Library of Medicine's UMLS Metathesaurus, as well as many other biomedical terminologies created by or of interest to NCI and its partners. Some propriety terminologies are included, with permission, and have restrictions on their use. The current version of the NCI Metathesaurus, based on the UMLS build 2013AA, covers up to National Cancer Institute Thesaurus, 13.12d. A viewer for the UMLS changes document can be downloaded.

Abbreviations: NCIm

Resource Type: data or information resource, database

Keywords: biomedical, clinical, terminology

Related Condition: Cancer

Resource Name: NCI Metathesaurus

Resource ID: SCR_003565

Alternate IDs: nlx_157699

Record Creation Time: 20220129T080219+0000

Record Last Update: 20260905T133121+0000
