## elements of morphology

RRID:SCR\_003707

Type: Tool

### Proper Citation

elements of morphology (RRID:SCR\_003707)

### Resource Information

**URL:** <http://elementsofmorphology.nih.gov/>

**Proper Citation:** elements of morphology (RRID:SCR\_003707)

**Description:** Data set of standardized terms used to describe human morphology including definitions of terms for the craniofacies in general, the major components of the face, and the hands and feet. This provides a uniform and internationally accepted terms to describe the human phenotype.

**Synonyms:** Human Malformation Terminology, Elements of Morphology: Human Malformation Terminology

**Resource Type:** data or information resource, data set, international standard specification, narrative resource, standard specification

**Defining Citation:** [PMID:19127575](#), [PMID:19125436](#), [PMID:19125433](#), [PMID:19125428](#), [PMID:19152422](#), [PMID:19152421](#)

**Keywords:** dysmorphology, morphology, malformation, face, hand, foot, facial feature, phenotype, nose, philtrum, ear, lip, mouth, oral region, head, face, periorbital, terminology, vocabulary

**Funding:** NIH

**Availability:** Public domain, Acknowledgement requested

**Resource Name:** elements of morphology

**Resource ID:** SCR\_003707

**Alternate IDs:** nlx\_157874

**Record Creation Time:** 20220129T080220+0000

**Record Last Update:** 20260905T132506+0000

---

## Ratings and Alerts

No rating or validation information has been found for elements of morphology.

No alerts have been found for elements of morphology.
