DNAPlotter

RRID:SCR_005006

Type: Tool

Proper Citation

DNAPlotter (RRID:SCR_005006)

Resource Information

URL: <http://www.sanger.ac.uk/resources/software/dnaplotter/>

Proper Citation: DNAPlotter (RRID:SCR_005006)

Description: Software application used to generate images of circular and linear DNA maps to display regions and features of interest. The images can be inserted into a document or printed out directly. As this uses Artemis it can read in the common file formats EMBL, GenBank and GFF3.

Abbreviations: DNAPlotter

Synonyms: DNAPlotter: circular and linear interactive genome visualization

Resource Type: software application, software resource

Defining Citation: [PMID:18990721](#)

Keywords: java, circular, linear, plot, genome, macosx, unix, windows

Availability: GNU General Public License

Resource Name: DNAPlotter

Resource ID: SCR_005006

Alternate IDs: OMICS_00906, nlx_96278

Record Creation Time: 20220129T080227+0000

Record Last Update: 20260905T133234+0000

Ratings and Alerts

No rating or validation information has been found for DNAPlotter.

No alerts have been found for DNAPlotter.
