Description: For over 20 years Fairfax Cryobank has provided the highest quality donor sperm that has led to the creation of many happy healthy families. We provide the caring and sensitive support you need, the high quality donor sperm you require, and are accredited by the AATB (American Association of Tissue Banks) and fully compliant with FDA regulations governing reproductive tissue banks. Fairfax Cryobank offers a large selection of high quality donors; only 1 in 200 applicants make it through our rigorous screening process to become donors. We perform the most extensive genetic and infectious disease testing of all sperm banks. Fairfax Cryobank is dedicated to supplying updated verified and accurate medical and personal information on our donors. We have a caring, sensitive and knowledgeable Client Services Team ready to assist you in your choices. Fairfax Cryobank provides a variety of services that will support your process of selecting your perfect donor match including photo matching and a clear and user friendly donor search. We appreciate the importance of finding the right match, the total package, and so we offer incentives and specials that allow you to purchase donor sperm and accompanying products at reduced cost. We have a long-standing reputation of excellence with over two decades of satisfied physicians and patients. Trust, credibility, and quality are the basis of our success.
