StellaBase: Nematostella vectensis genomics database

RRID:SCR_005153

Type: Tool

Proper Citation

StellaBase: Nematostella vectensis genomics database (RRID:SCR_005153)

Resource Information

URL: <http://stellabase.org>

Proper Citation: StellaBase: Nematostella vectensis genomics database (RRID:SCR_005153)

Description: StellaBase is a genomics database of Nematostella vectensis. It allows users to query the assembled Nematostella genome, a confirmed gene library, and a predicted genome using both keyword and homology based search functions. Data provided by these searches will elucidate gene family evolution in early animals. Unique research tools, including a Nematostella genetic stock library, a primer library, a literature repository and a gene expression library will provide support to the burgeoning Nematostella research community. Supported by: National Science Foundation (Grant No. 0212773 to JRF)

Synonyms: StellaBase

Resource Type: data or information resource, database

Keywords: gene family evolution, nematostella vectensis, nematostella vectensis genome

Resource Name: StellaBase: Nematostella vectensis genomics database

Resource ID: SCR_005153

Alternate IDs: nif-0000-03497

Record Creation Time: 20220129T080228+0000

Record Last Update: 20260905T133128+0000

Ratings and Alerts

No rating or validation information has been found for StellaBase: Nematostella vectensis genomics database.

No alerts have been found for StellaBase: Nematostella vectensis genomics database.
