Kismeth

RRID:SCR_005444

Type: Tool

Proper Citation

Kismeth (RRID:SCR_005444)

Resource Information

URL: <http://katahdin.mssm.edu/kismeth/revpage.pl>

Proper Citation: Kismeth (RRID:SCR_005444)

Description: A web-based tool for bisulfite sequencing analysis that was designed to be used with plants, since it considers potential cytosine methylation in any sequence context (CG, CHG, and CHH). It provides a tool for the design of bisulfite primers as well as several tools for the analysis of the bisulfite sequencing results. Kismeth is not limited to data from plants, as it can be used with data from any species.

Abbreviations: Kismeth

Resource Type: analysis service resource, data analysis service, production service resource, service resource

Defining Citation: [PMID:18786255](#)

Keywords: plant, methylation, bisulfite sequencing, bio.tools

Availability: Free for academic use, Contact for commercial use

Resource Name: Kismeth

Resource ID: SCR_005444

Alternate IDs: biotools:kismeth, OMICS_00602

Alternate URLs: <https://bio.tools/kismeth>

Record Creation Time: 20220129T080230+0000

Record Last Update: 20260905T133130+0000

Ratings and Alerts

No rating or validation information has been found for Kismeth.

No alerts have been found for Kismeth.
