COBrA

RRID:SCR_005677

Type: Tool

Proper Citation

COBrA (RRID:SCR_005677)

Resource Information

URL: <http://www.xspan.org/>

Proper Citation: COBrA (RRID:SCR_005677)

Description: COBrA is a Java-based ontology editor for bio-ontologies that distinguishes itself from other editors by supporting the linking of concepts between two ontologies, and providing sophisticated analysis and verification functions. In addition to the Gene Ontology and Open Biology Ontologies formats, COBrA can import and export ontologies in the Semantic Web formats RDF, RDFS and OWL. Platform: Windows compatible, Mac OS X compatible, Linux compatible, Unix compatible, THIS RESOURCE IS NO LONGER IN SERVICE. Documented on September 16,2025.

Abbreviations: COBrA

Synonyms: COBrA - An Ontology Browser for Anatomy, COBrA: a bio-ontology editor

Resource Type: software resource

Defining Citation: [PMID:15513995](#)

Keywords: ontology, anatomy, browser, ontology or annotation browser

Funding: BBSRC 15/BEP 17046

Availability: THIS RESOURCE IS NO LONGER IN SERVICE

Resource Name: COBrA

Resource ID: SCR_005677

Alternate IDs: nlx_149117

Record Creation Time: 20220129T080231+0000

Record Last Update: 20260905T132539+0000

Ratings and Alerts

No rating or validation information has been found for COBrA.

No alerts have been found for COBrA.
