Immune Epitope Database and Analysis Resource (IEDB)

RRID:SCR_006604

Type: Tool

Proper Citation

Immune Epitope Database and Analysis Resource (IEDB) (RRID:SCR_006604)

Resource Information

URL: <https://www.iedb.org/>

Proper Citation: Immune Epitope Database and Analysis Resource (IEDB) (RRID:SCR_006604)

Description: Repository contains antibody/B cell and T cell epitope information and epitope prediction and analysis tools. Immune epitopes are defined as molecular structures recognized by specific antigen receptors of the immune system, namely antibodies, B cell receptors, and T cell receptors. Immune epitopes from infectious diseases, excluding HIV, and immune-mediated diseases and the accompanying biological information are included.

Abbreviations: IEDB

Synonyms: Immune Epitope Database and Analysis Resource, , IEDB

Resource Type: analysis service resource, data analysis service, data repository, production service resource, service resource, storage service resource

Defining Citation: [PMID:39558162](#)

Keywords: human, non-human primate, rodent, pig, cat, non-human animal, t cell, b cell, epitope, infectious disease, major histocompatibility complex, bio.tools, FASEB list

Funding: niad

Availability: open

Resource Name: Immune Epitope Database and Analysis Resource (IEDB)

Resource ID: SCR_006604

Alternate IDs: nif-0000-03017, biotools:iedb, r3d100012702

Alternate URLs: <https://nextgen-tools.iedb.org/>, <https://doi.org/10.17616/R3X217>

License URLs: https://www.iedb.org/terms_of_use_v3.php

Record Creation Time: 20220129T080237+0000

Record Last Update: 20260905T132557+0000

Ratings and Alerts

No rating or validation information has been found for Immune Epitope Database and Analysis Resource (IEDB).

No alerts have been found for Immune Epitope Database and Analysis Resource (IEDB).
