Proper Citation: ALSPAC (RRID:SCR_007260)

Description: A long-term health research project which follows pregnant women and their offspring in a continuous health and developmental study. More than 14,000 mothers enrolled during pregnancy in 1991 and 1992, and the health and development of their children has been followed in great detail. The ALSPAC families have provided a vast amount of genetic and environmental information over the years which can be made available to researchers globally.

Abbreviations: ALSPAC

Synonyms: The Avon Longitudinal Study of Parents and Children, Avon Longitudinal Study of Parents and Children

Resource Type: data or information resource, portal, project portal

Keywords: longitudinal, study, parent, child, health, research, mother, development, research, disease, genetic, environmental

Funding: UK Medical Research Council ;
Wellcome Trust ;
University of Bristol

Availability: Available to the research community

Resource Name: ALSPAC

Resource ID: SCR_007260

Alternate IDs: nif-0000-30224

Record Creation Time: 20220129T080240+0000

Ratings and Alerts

No rating or validation information has been found for ALSPAC.

No alerts have been found for ALSPAC.
