Proper Citation: FLIGHT (RRID:SCR_007660)

Description: A database that has been designed to facilitate the integration of data from high-throughput experiments carried out in Drosophila cell culture. It includes phenotypic information from published cell-based RNAi screens, gene expression data from Drosophila cell lines, protein interaction data, together with novel tools to cross-correlate these diverse datasets, such as the phenotype clustering tool Shuffle. We believe it will complement existing Drosophila databases and will prove useful to researchers working in other organisms who are looking for a simple way to navigate their way through the fly genome.

Synonyms: FLIGHT

Resource Type: data or information resource, database

Keywords: drosophila, drosophila cell culture, drosophila genome

Resource Name: FLIGHT

Resource ID: SCR_007660

Alternate IDs: nif-0000-02841

Alternate URLs: <http://flight.libr.org/>

Record Creation Time: 20220129T080243+0000

Record Last Update: 20260905T133142+0000

Ratings and Alerts

No rating or validation information has been found for FLIGHT.

No alerts have been found for FLIGHT.
