HERMES

RRID:SCR_009584

Type: Tool

Proper Citation

HERMES (RRID:SCR_009584)

Resource Information

URL: <http://hermes.ctb.upm.es/>

Proper Citation: HERMES (RRID:SCR_009584)

Description: A toolbox for the Matlab environment designed to study functional and effective brain connectivity from neurophysiological data such as multivariate EEG and/or MEG records. It includes also visualization tools and statistical methods to address the problem of multiple comparisons. This toolbox may be very helpful to all the researchers working in the emerging field of brain connectivity analysis.

Abbreviations: HERMES

Synonyms: HERramientas de MEDida de la Sincronizacion

Resource Type: data processing software, software application, software resource, software toolkit

Keywords: clinical neuroinformatics, computational neuroscience, connectivity analysis, directed transfer analysis, eeg, meg, electrocorticography, granger causality, information theory, matlab, partial directed coherence, transfer entropy analysis, connectivity, brain

Funding: Ministry of Education of the Community of Madrid NEUROTEU-CM program S2010/BMD-2460;

Spanish Ministry of Economy and Competitiveness TEC2012-38453-CO4-01;

Spanish Ministry of Economy and Competitiveness TEC2012-38453-CO4-03

Availability: GNU General Public License

Resource Name: HERMES

Resource ID: SCR_009584

Alternate IDs: nlx_155770

Alternate URLs: <http://www.nitrc.org/projects/hermes>

Record Creation Time: 20220129T080253+0000

Record Last Update: 20260905T133045+0000

Ratings and Alerts

No rating or validation information has been found for HERMES.

No alerts have been found for HERMES.
