Proper Citation: miRDeep (RRID:SCR_010829)

Description: Software tool to identify known and novel miRNA genes in seven animal clades by analyzing sequenced RNAs. Used for discovering known and novel miRNAs from small RNA sequencing data.

Abbreviations: miRDeep2

Resource Type: data analysis software, data processing software, sequence analysis software, software application, software resource

Defining Citation: [PMID:18392026](#), [PMID:21911355](#)

Keywords: miRNA, gene, animal, clade, analysis, sequence, RNA, data

Funding: China Scholarship Council ;
German Ministry of Education and Research ;
Helmholtz Association ;
Helmholtz-Alliance on Systems Biology ;
Max Delbrück Centrum Systems Biology Network ;
Senate of Berlin

Availability: Free, Available for download, Freely available

Resource Name: miRDeep

Resource ID: SCR_010829

Alternate IDs: OMICS_00373

Alternate URLs: <https://github.com/rajewsky-lab/mirdeep2>

License: GNU GPL v3

Record Creation Time: 20220129T080301+0000

Record Last Update: 20260912T195724+0000

Ratings and Alerts

No rating or validation information has been found for miRDeep.

No alerts have been found for miRDeep.
