miRTar

RRID:SCR_010851

Type: Tool

Proper Citation

miRTar (RRID:SCR_010851)

Resource Information

URL: <http://mirtar.mbc.nctu.edu.tw/human/>

Proper Citation: miRTar (RRID:SCR_010851)

Description: An integrated web server for identifying miRNA-target interactions in human. The tool enables biologists easily to identify the biological functions and regulatory relationships between a group of known/putative miRNAs and protein coding genes. It also provides perspective of information on the miRNA targets on alternatively spliced transcripts.

Abbreviations: miRTar

Synonyms: MicroRNA Target prediction

Resource Type: analysis service resource, data analysis service, data or information resource, data set, production service resource, service resource

Resource Name: miRTar

Resource ID: SCR_010851

Alternate IDs: OMICS_00410

Record Creation Time: 20220129T080301+0000

Record Last Update: 20260905T132648+0000

Ratings and Alerts

No rating or validation information has been found for miRTar.

No alerts have been found for miRTar.

Data and Source Information

Usage and Citation Metrics

We found 55 mentions in open access literature.

Listed below are recent publications. The full list is available at [Kravitz](#) .
