Proper Citation: SciCurve (RRID:SCR_013778)

Description: A software application that provides visual representations and organization for systematic literature searches. Users can observe trends in scientific literature through graphic visualizations while using keyword searches to find related articles or compare trends within a given graphic. SciCurve also allows users to locate journals which publish literature in users' fields of interest.

Resource Type: software resource

Keywords: software application, visual, systematic literature search, graphic visualization

Availability: Free, Public

Resource Name: SciCurve

Resource ID: SCR_013778

Record Creation Time: 20220129T080318+0000

Record Last Update: 20260905T132740+0000

Ratings and Alerts

No rating or validation information has been found for SciCurve.

No alerts have been found for SciCurve.
