Cancer Cell Line Encyclopedia

RRID:SCR_013836

Type: Tool

Proper Citation

Cancer Cell Line Encyclopedia (RRID:SCR_013836)

Resource Information

URL: <https://www.broadinstitute.org/ccle/>

Proper Citation: Cancer Cell Line Encyclopedia (RRID:SCR_013836)

Description: A collaborative project between the Broad Institute and the Novartis Institutes for Biomedical Research and its Genomics Institute of the Novartis Research Foundation, with the goal of conducting a detailed genetic and pharmacologic characterization of a large panel of human cancer models. The CCLE also works to develop integrated computational analyses that link distinct pharmacologic vulnerabilities to genomic patterns and to translate cell line integrative genomics into cancer patient stratification. The CCLE provides public access to genomic data, analysis and visualization for about 1000 cell lines.

Abbreviations: CCLE

Resource Type: data or information resource, database, portal, project portal

Defining Citation: [DOI:10.1038/nature11003](https://doi.org/10.1038/nature11003)

Keywords: cancer, cell line, human, human cancer model, genetic, portal, database, FASEB list

Availability: Public

Resource Name: Cancer Cell Line Encyclopedia

Resource ID: SCR_013836

Alternate IDs: r3d100011819

Record Creation Time: 20220129T080318+0000

Record Last Update: 20260905T133048+0000

Ratings and Alerts

No rating or validation information has been found for Cancer Cell Line Encyclopedia.

No alerts have been found for Cancer Cell Line Encyclopedia.
