Multi Gauge

RRID:SCR_014299

Type: Tool

Proper Citation

Multi Gauge (RRID:SCR_014299)

Resource Information

URL: <https://uofa.ualberta.ca/biological-sciences/-/media/science/departments/biological-sciences/mbsu/fla-5000/multigauge20.pdf>

Proper Citation: Multi Gauge (RRID:SCR_014299)

Description: A software application for one-dimensional electrophoretic analysis of multi-labeled fluorophores. It was designed to analyze multi-channel fluorescence data from Fujifilm FLA-5000 and FLA-8000 scanning systems. The software also works with other scanners in the BAS/FLA series and with the LAS series.

Synonyms: MultiGuage

Resource Type: data analysis software, data processing software, software application, software resource

Keywords: data analysis software, one dimensional electrophoretic analysis, fluorophore, multi channel fluorescence data

Resource Name: Multi Gauge

Resource ID: SCR_014299

Alternate URLs: <http://www.scienceimaging.se/application-info/55.html>

License: Multi Gauge can be used in a single unit that has a single CPU or multiple CPUs

Record Creation Time: 20220129T080320+0000

Record Last Update: 20260905T132745+0000

Ratings and Alerts

No rating or validation information has been found for Multi Gauge.

No alerts have been found for Multi Gauge.
