FluoRender

RRID:SCR_014303

Type: Tool

Proper Citation

FluoRender (RRID:SCR_014303)

Resource Information

URL: <http://www.sci.utah.edu/software/fluorender.html>

Proper Citation: FluoRender (RRID:SCR_014303)

Description: Interactive rendering tool for confocal microscopy data visualization. Combines rendering of multi-channel volume data and polygon mesh data, where properties of each dataset can be adjusted independently and quickly. Designed for neurobiologists, allowing them to better visualize confocal data from fluorescently-stained brains, but it is also useful for other biological samples. Features include feature tracking, 3D measurement tools, multiple render modes for multi-channel confocal data, and volume paint selection and segmentation.

Synonyms: FluoRender Visualization

Resource Type: data analysis software, data processing software, data visualization software, software application, software resource

Keywords: rendering tool, confocal microscopy data visualization, neurobiology, fluorescent stain, brain, bio.tools

Availability: Free, Available for download, Freely available

Resource Name: FluoRender

Resource ID: SCR_014303

Alternate IDs: biotools:fluorender

Alternate URLs: <https://bio.tools/fluorender>

Record Creation Time: 20220129T080320+0000

Record Last Update: 20260905T132745+0000

Ratings and Alerts

No rating or validation information has been found for FluoRender.

No alerts have been found for FluoRender.
