LFPy

RRID:SCR_014805
Type: Tool

Proper Citation

LFPy (RRID:SCR_014805)

Resource Information

URL: http://lfpy.github.io

Proper Citation: LFPy (RRID:SCR_014805)

Description: Python package for calculation of extracellular potentials from multicompartment neuron models. LFPy can be used to set up a model, run simulations, and calculate the extracellular potentials arising from activity in the given model neuron. It relies on the Python interface provided by the NEURON simulator.

Resource Type: software resource, source code

Defining Citation: PMID:24474916, DOI:10.3389/fninf.2013.00041

Keywords: python, extracellular potential, neuron, model, simulator

Availability: Open source, Available for download

Resource Name: LFPy

Resource ID: SCR_014805

License: GNU Public License GPL version 3

Record Creation Time: 20220129T080322+0000

Record Last Update: 20260905T133400+0000

Ratings and Alerts

No rating or validation information has been found for LFPy.

No alerts have been found for LFPy.

Data and Source Information
