## LigandScout

RRID:SCR\_014889

Type: Tool

---

### Proper Citation

LigandScout (RRID:SCR\_014889)

---

### Resource Information

**URL:** <http://www.inteligand.com/ligandscout/>

**Proper Citation:** LigandScout (RRID:SCR\_014889)

**Description:** Software that takes a macromolecular structure containing a bound ligand and identifies the key features on the ligand which are interacting with points on a protein. Its features include: automatic interpretation of PDB ligands using geometry, dictionaries and rule; advanced handling of co-factors, ions, water molecules and covalently bound ligands; pharmacophore export to Catalyst(tm), MOE(tm) and PHASE(tm) for virtual screening; and the ability to treat co-factors and water molecules as part of the ligand or part of the macromolecule.

**Resource Type:** software application, software resource

**Keywords:** pharmacophore, macromolecular structure, bound ligand, pdb ligand, virtual screening, ligand based pharmacore design

**Availability:** Available for purchase

**Resource Name:** LigandScout

**Resource ID:** SCR\_014889

**Alternate URLs:** <https://www.chemistryworld.com/ligandscout/1012019.article>

**License URLs:** <http://www.rsc.org/help-legal/legal/terms-conditions/>

**Record Creation Time:** 20220129T080322+0000

**Record Last Update:** 20260905T133259+0000

---

### Ratings and Alerts

No rating or validation information has been found for LigandScout.

No alerts have been found for LigandScout.
