University of Washington Diabetes Research Center Quantitative and Functional Proteomics Core Facility

RRID:SCR_015131

Type: Tool

Proper Citation

University of Washington Diabetes Research Center Quantitative and Functional Proteomics Core Facility (RRID:SCR_015131)

Resource Information

URL: <https://www.iths.org/resources/directory/listing/drc-quantitative-and-functional-proteomics-core-university-of-washington>

Proper Citation: University of Washington Diabetes Research Center Quantitative and Functional Proteomics Core Facility (RRID:SCR_015131)

Description: Core facility that provides the powerful tools of modern mass spectrometry and complex data set analysis to Diabetes Research Center investigators to permit structural identification and quantitation of proteins involved in diabetes and its complications.

Synonyms: University of Washington Diabetes Research Center Quantitative and Functional Proteomics Core

Resource Type: access service resource, core facility, service resource

Keywords: diabetes, metabolic disorder, clinical research, mass spectrometry, structural identification, diabetes complication

Related Condition: Diabetes

Funding: NIDDK P30DK017047

Availability: Open

Resource Name: University of Washington Diabetes Research Center Quantitative and Functional Proteomics Core Facility

Resource ID: SCR_015131

Old URLs: <http://depts.washington.edu/diabetes/quantitative-and-functional-proteomics/>

Record Creation Time: 20220129T080324+0000

Record Last Update: 20260905T133402+0000

Ratings and Alerts

No rating or validation information has been found for University of Washington Diabetes Research Center Quantitative and Functional Proteomics Core Facility.

No alerts have been found for University of Washington Diabetes Research Center Quantitative and Functional Proteomics Core Facility.
