BCBtoolkit

RRID:SCR_015519

Type: Tool

Proper Citation

BCBtoolkit (RRID:SCR_015519)

Resource Information

URL: <http://toolkit.bcblab.com/>

Proper Citation: BCBtoolkit (RRID:SCR_015519)

Description: Software toolkit that provides several multi-modal tools to assess brain disconnections and remote effects of lesions. All modules are designed to process brain lesion data with a normalization algorithm, a module to estimate the probability and the severity of white matter disconnections, and a tool to build a map of the disconnected areas.

Synonyms: BCBtoolkit 4.0

Resource Type: data analysis software, data processing software, software application, software resource, software toolkit

Keywords: brain lesion, brain disconnection, white matter, bio.tools

Availability: Open source, Free, Available for download, Available on Mac OS, Available on Linux

Resource Name: BCBtoolkit

Resource ID: SCR_015519

Alternate IDs: biotools:bcbtoolkit

Alternate URLs: <https://bio.tools/bcbtoolkit>

Record Creation Time: 20220129T080326+0000

Record Last Update: 20260905T132756+0000

Ratings and Alerts

No rating or validation information has been found for BCBtoolkit.

No alerts have been found for BCBtoolkit.
