Proper Citation: Hopkins Conte Digestive Diseases Basic and Translational Research Core Center Translational Research Enhancement Core (RRID:SCR_015594)

Description: Core facility whose services include establishing Best Practices (BP) and uniform Standard Operating Procedures (SOPs) for the collection, annotation, processing, storage, management, distribution, and ethical use of human specimens, and to provide access to specimens by investigators as well as patient identification, patient recruitment, facilitation of patient trials, translational research and basic research through creation of a patient registry and database.

Abbreviations: TREC, HDDBTRCCTREC

Resource Type: biomaterial supply resource, cell repository, material resource, organism supplier

Keywords: Clinical Research Unit, tissue bank, specimen collection

Related Condition: digestive disease

Funding: NIDDK P30 DK089502

Availability: Available to affiliated researchers, Available to John Hopkins University

Resource Name: Hopkins Conte Digestive Diseases Basic and Translational Research Core Center Translational Research Enhancement Core

Resource ID: SCR_015594

Record Creation Time: 20220129T080326+0000

Record Last Update: 20260905T132756+0000

Ratings and Alerts

No rating or validation information has been found for Hopkins Conte Digestive Diseases Basic and Translational Research Core Center Translational Research Enhancement Core.

No alerts have been found for Hopkins Conte Digestive Diseases Basic and Translational Research Core Center Translational Research Enhancement Core.
