Transeq

RRID:SCR_015647

Type: Tool

Proper Citation

Transeq (RRID:SCR_015647)

Resource Information

URL: http://www.ebi.ac.uk/Tools/st/emboss_transeq/

Proper Citation: Transeq (RRID:SCR_015647)

Description: Software that translates nucleic acid sequences to their corresponding peptide sequences. It can translate to the three forward and three reverse frames, and output multiple frame translations at once.

Synonyms: EMBOSS Transeq

Resource Type: software resource, web application

Defining Citation: [PMID:10827456](#)

Keywords: peptide sequence, frame translation, nucleic acid, protein identification

Availability: Freely Available, Available for download

Resource Name: Transeq

Resource ID: SCR_015647

Alternate URLs: <http://emboss.sourceforge.net/apps/cvs/emboss/apps/transeq.html>

Record Creation Time: 20220129T080326+0000

Record Last Update: 20260905T132757+0000

Ratings and Alerts

No rating or validation information has been found for Transeq.

No alerts have been found for Transeq.

Data and Source Information
