BlobFinder

RRID:SCR_015788

Type: Tool

Proper Citation

BlobFinder (RRID:SCR_015788)

Resource Information

URL: <http://www.cb.uu.se/~amin/BlobFinder/>

Proper Citation: BlobFinder (RRID:SCR_015788)

Description: Software that can perform calculations on cells from fluorescence microscopy images. BlobFinder can perform two types of analysis: an average count analysis to count the number of fluorescent signals and nuclei in an image, and a single cell analysis to simulate a cytoplasm and assign each signal to a particular cell.

Resource Type: data processing software, image analysis software, software application, software resource

Keywords: fluorescence, microscopy, average count analysis, single cell analysis, cell calculation

Availability: Free, Available for download, Runs on Windows, Tutorial available

Resource Name: BlobFinder

Resource ID: SCR_015788

Record Creation Time: 20220129T080327+0000

Record Last Update: 20260905T133050+0000

Ratings and Alerts

No rating or validation information has been found for BlobFinder.

No alerts have been found for BlobFinder.

Data and Source Information

Usage and Citation Metrics

We found 129 mentions in open access literature.

Listed below are recent publications. The full list is available at [Kravitz](#) .
