CalR

RRID:SCR_015849

Type: Tool

Proper Citation

CalR (RRID:SCR_015849)

Resource Information

URL: <https://CalRapp.org>

Proper Citation: CalR (RRID:SCR_015849)

Description: A Web-based Analysis Tool for Indirect Calorimetry Experiments which measure physiological energy balance. It is a web application for indirect calorimetry analysis which generates customizable time, bar and regression plots for calorimetry data using two-, three-, and four-group templates.

Synonyms: A Web Application for Indirect Calorimetry Analysis

Resource Type: data analysis software, data processing software, data visualization software, software application, software resource, web application

Defining Citation: [DOI:10.1101/213967](https://doi.org/10.1101/213967)

Keywords: indirect, calorimerty, analysis, visualization, energy, balance, food intake, energy expenditure, metabolism, metabolic phenotyping, CLAMS, PhenoMaster, Prometheon, biostatistics, ANCOVA, reproducibility, Columbus Instruments, Sable Systems, TSE

Funding: Harvard Digestive Disease Center ;
Mouse Metabolic Phenotyping Center ;
NIDDK

Availability: Freely available, Public

Resource Name: CalR

Resource ID: SCR_015849

Old URLs: <https://calrapp.org>

Record Creation Time: 20220129T080327+0000

Ratings and Alerts

No rating or validation information has been found for CalR.

No alerts have been found for CalR.
