RNAcompete

RRID:SCR_015900

Type: Tool

Proper Citation

RNAcompete (RRID:SCR_015900)

Resource Information

URL: <https://omictools.com/rnacompete-tool>

Proper Citation: RNAcompete (RRID:SCR_015900)

Description: Method for the systematic analysis of RNA binding specificities that uses a single binding reaction to determine the relative preferences of RBPs for short RNAs that contain a complete range of k-mers in structured and unstructured RNA contexts. RNAcompete identifies expected and previously unknown RNA binding preferences., THIS RESOURCE IS NO LONGER IN SERVICE. Documented on September 16,2025.

Synonyms: RNAcompete Tool

Resource Type: data analysis software, data processing software, software application, software resource

Defining Citation: [PMID:19561594](#), [PMID:27956239](#)

Keywords: rna, protein, interaction, binding, preference, rna-seq, recognition, rbp, k-mer, structured rna, unstructured rna, matlab
