## ProCon - PROteomics CONversion

RRID:SCR\_016363

Type: Tool

---

### Proper Citation

ProCon - PROteomics CONversion (RRID:SCR\_016363)

---

### Resource Information

**URL:** <https://www.ruhr-uni-bochum.de/mpc/software/ProCon/index.html.en>

**Proper Citation:** ProCon - PROteomics CONversion (RRID:SCR\_016363)

**Description:** Java based conversion tool for conversion of data from Proteomics files or a LIMS (Laboratory Information Management System) database into standard formats. Used to support wet-lab scientists in creating proteomics data files ready for upload into the public repositories.

**Abbreviations:** ProCon

**Synonyms:** PROteomics CONversion

**Resource Type:** data processing software, software application, software resource

**Defining Citation:** [PMID:26182917](#)

**Keywords:** data, proteomics, conversion, file, laboratory, information, management, system, database, standard, format, , bio.tools

**Funding:** European Union Projects ProDac ;  
European Union Projects ProteomeXchange ;  
the German Federal Ministry of Education and Research BMBF

**Availability:** Free, Available for download, Freely available

**Resource Name:** ProCon - PROteomics CONversion

**Resource ID:** SCR\_016363

**Alternate IDs:** biotools:procon

**Alternate URLs:** <https://bio.tools/procon>

**Record Creation Time:** 20220129T080330+0000

**Record Last Update:** 20260905T133051+0000

---

## Ratings and Alerts

No rating or validation information has been found for ProCon - PROteomics CONversion.

No alerts have been found for ProCon - PROteomics CONversion.
