GCTF

RRID:SCR_016500

Type: Tool

Proper Citation

GCTF (RRID:SCR_016500)

Resource Information

URL: <https://www.mrc-lmb.cam.ac.uk/kzhang/Gctf/>

Proper Citation: GCTF (RRID:SCR_016500)

Description: Software tool as a Graphics Processing Units (GPU) accelerated computer program for real-time contrast transfer function (CTF) determination and correction. Used for a near-atomic resolution cryo electron microscopy (cryoEM) reconstruction to maximize the cross-correlation of a simulated CTF with the logarithmic amplitude spectra (LAS) of observed micrographs after background subtraction., THIS RESOURCE IS NO LONGER IN SERVICE. Documented on September 16,2025.

Abbreviations: GCTF

Synonyms: GContrast Transfer Function

Resource Type: data analysis software, data processing software, software application, software resource

Defining Citation: [PMID:26592709](#)

Keywords: accurate, real, time, constrast, transfer, function, determination, correction, atomic, resolution, cryo, electron, microscopy, reconstruction, micrograph

Funding: the Medical Research Council ;
United Kingdom MC_UP_A025_1011;
Wellcome Trust New Investigator Award

Availability: THIS RESOURCE IS NO LONGER IN SERVICE

Resource Name: GCTF

Resource ID: SCR_016500

Record Creation Time: 20220129T080331+0000

Ratings and Alerts

No rating or validation information has been found for GCTF.

No alerts have been found for GCTF.
