Proper Citation: National Sleep Research Resource (NSRR) (RRID:SCR_016576)

Description: System for sharing sleep data. Organization portal that aggregates, harmonizes, and organizes sleep and clinical data from individuals studied as part of cohort studies or clinical trials and provides suite of tools to facilitate data exploration and data visualization. National Heart, Lung, and Blood Institute resource designed to provide big data resources to sleep research community.

Abbreviations: NSRR

Synonyms: National Sleep Research Resource

Resource Type: data or information resource, organization portal, portal

Defining Citation: [PMID:29860441](#)

Keywords: sleep, clinical, data, cohort, study, trial, dataset, visualization, exploration

Related Condition: sleep apnea

Funding: NHLBI

Availability: Free, Freely available, Registration required for membership

Resource Name: National Sleep Research Resource (NSRR)

Resource ID: SCR_016576

Alternate URLs: <https://sleepdata.org/share>, <https://sleepdata.org/datasets>

Record Creation Time: 20220129T080331+0000
