Proper Citation: PhenoMeNal (RRID:SCR_016605)

Description: Cloud based standardised European e-infrastructure for metabolomics and phenomics data processing, analysis and information mining on public or private cloud providers. Used for large scale computing for medical metabolomics.

Abbreviations: phnmnl, PhenoMeNal

Synonyms: Phenome and Metabolome aNalysis

Resource Type: consortium, data access protocol, data or information resource, organization portal, portal, software resource, web service

Keywords: metabolomic, phenomic, data, processing, analysis, information, mining. medical, bio.tools

Funding: European Commission EC654241

Availability: Free, Registration required, Tutorial available

Resource Name: PhenoMeNal

Resource ID: SCR_016605

Alternate IDs: biotools:PhenoMeNal

Alternate URLs: <https://github.com/phnmnl>, <https://bio.tools/PhenoMeNal>

License: Phenomenal Terms of Use version 1.0
