Proper Citation: NetworkX (RRID:SCR_016864)

Description: Software Python package for the creation, manipulation, and study of the structure, dynamics, and functions of complex networks.

Resource Type: data analysis software, data processing software, network analysis software, software application, software resource

Keywords: create, analysis, structure, dynamic, function, complex, network, data

Availability: Free, Available for download, Freely available

Resource Name: NetworkX

Resource ID: SCR_016864

Alternate URLs: <https://github.com/networkx/networkx>

License: 3-clause BSD license

Record Creation Time: 20220129T080332+0000

Record Last Update: 20260905T132814+0000
