[cytoHubba](#)

RRID:SCR_017677

Type: Tool

Proper Citation

cytoHubba (RRID:SCR_017677)

Resource Information

URL: <http://apps.cytoscape.org/apps/cytohubba>

Proper Citation: cytoHubba (RRID:SCR_017677)

Description: Software tool for identifying hub objects and sub-networks from complex interactome. Predicts and explore nodes and subnetworks in given network by several topological algorithms. Provides interface to analyze topology of protein-protein interaction networks, such as human, yeast, rat, mouse, fly etc. Plugin works with Cytoscape 2.6 or above, which requires Java 1.5 or above.

Synonyms: cytoHubba 1.6

Resource Type: data analysis software, data processing software, network analysis software, software application, software resource

Defining Citation: [PMID:25521941](#)

Keywords: Identify, network, subnetwork, topological, algorithm, analyze, protein, interaction, hub, object, intercome

Funding: Ministry of Science and Technology (MOST) ; Taiwan

Availability: Free, Available for download, Freely available

Resource Name: cytoHubba

Resource ID: SCR_017677

Alternate URLs: <http://hub.iis.sinica.edu.tw/cytoHubba/>

Record Creation Time: 20220129T080336+0000

Record Last Update: 20260905T132827+0000

Ratings and Alerts

No rating or validation information has been found for cytoHubba.

No alerts have been found for cytoHubba.
