Type: Tool

Proper Citation

University of New England In Vivo Behavior Core Facility (RRID:SCR_017883)

Resource Information

URL: <https://www.une.edu/research/center-pain-research/behavior-core>

Proper Citation: University of New England In Vivo Behavior Core Facility (RRID:SCR_017883)

Description: Core provides technical expertise, training, instrumentation and related services for assessing behavior in animals to help to gain insight into function of nervous system and mechanisms of acute and chronic pain. Services include Behavioral Testing; General Behavioral Phenotyping: Observational Screens, Motor Function; Pain/Sensory Testing: Thermal, Mechanical, Chemical; Additional Neurobehavioral Tests: Psychiatric, Addiction, Learning and Memory; Miscellaneous Systems: GI Transit, Cardiovascular and Respiration. Other Services: Assistance choosing behavioral test and statistical tests for assessing results; Training in surgical techniques for small animal surgeries; Staff expertise includes surgical methods for producing pain models; dosing of drugs/anesthetics including central, systemic and localized administration; and tissue extractions.

Synonyms: In Vivo Behavior Core

Resource Type: access service resource, core facility, service resource

Keywords: in vivo, behavior, pain, sensory testing, training, function, addiction, neuropathic, CIPN, , system, acute, chronic, mechanism, motor, learning, memory, neurobehavioral

Funding: NIGMS P30GM145497

Availability: Open

Resource Name: University of New England In Vivo Behavior Core Facility

Resource ID: SCR_017883

Alternate URLs: <https://coremarketplace.org/?FacilityID=758>

Record Creation Time: 20220129T080337+0000

Record Last Update: 20260905T133414+0000

Ratings and Alerts

No rating or validation information has been found for University of New England In Vivo Behavior Core Facility.

No alerts have been found for University of New England In Vivo Behavior Core Facility.
