SAVES

RRID:SCR_018219

Type: Tool

Proper Citation

SAVES (RRID:SCR_018219)

Resource Information

URL: <https://servicesn.mbi.ucla.edu/SAVES/>

Proper Citation: SAVES (RRID:SCR_018219)

Description: Web server for structure validation in homology modeling. Used to validate of obtained crude models. Structure analysis and validation server.

Synonyms: SAVES v5.0, Structure Analysis and Verification Server

Resource Type: analysis service resource, data access protocol, production service resource, service resource, software resource, web service

Keywords: Structure validation, homology modeling, obtained model, analysis, validation server

Availability: Free, Freely available

Resource Name: SAVES

Resource ID: SCR_018219

Record Creation Time: 20220129T080339+0000

Record Last Update: 20260905T132833+0000

Ratings and Alerts

No rating or validation information has been found for SAVES.

No alerts have been found for SAVES.

Data and Source Information

Usage and Citation Metrics

We found 219 mentions in open access literature.

Listed below are recent publications. The full list is available at [Kravitz](#) .

Zhang L, et al. (2027) Discovery of leucine analogues of tyrocidines and tryptocidines from *Brevibacillus brevis* B011 through genome mining and in vitro biosynthesis. *Synthetic and systems biotechnology*, 15, 58.

Baniasadi Nejad N, et al. (2026) Computational design of a multi-epitope vaccine against *Helicobacter pylori* targeting CagA, FlhD, urease, and OipA with cholera toxin B subunit (CTB) adjuvant. *BMC microbiology*, 26(1).
