QuPath

RRID:SCR_018257

Type: Tool

Proper Citation

QuPath (RRID:SCR_018257)

Resource Information

URL: <https://qupath.github.io/>

Proper Citation: QuPath (RRID:SCR_018257)

Description: Open Source software package for digital pathology image analysis. Used for whole slide image analysis and digital pathology. Provides researchers with batch processing and scripting functionality, and extensible platform with which to develop and share new algorithms to analyze complex tissue images.

Resource Type: data processing software, image analysis software, software application, software resource

Defining Citation: [PMID:29203879](#)

Keywords: Digital pathology, image analysis, whole slide image, batch processing, tissue image, bio.tools

Funding: Cancer Research UK Accelerator ;
Experimental Cancer Medicine Centre Network ;
Friends of the Cancer Centre ;
Invest Northern Ireland ;
Sean Crummey Memorial Fund ;
Tom Simms Memorial Fund

Availability: Free, Available for download, Freely available

Resource Name: QuPath

Resource ID: SCR_018257

Alternate IDs: biotools:qupath

Alternate URLs: <https://bio.tools/qupath>

License: GPLv3

Record Creation Time: 20220129T080339+0000

Record Last Update: 20260905T133055+0000

Ratings and Alerts

No rating or validation information has been found for QuPath.

No alerts have been found for QuPath.
