MOLEonline

RRID:SCR_018314

Type: Tool

Proper Citation

MOLEonline (RRID:SCR_018314)

Resource Information

URL: <http://mole.upol.cz>

Proper Citation: MOLEonline (RRID:SCR_018314)

Description: Interactive web based tool for analyzing biomacromolecular channels, tunnels and pores. Enables two modes of calculation with one dedicated to analysis of channels and another for transmembrane pores. Can use PDB and mmCIF formats. Can analyze biomacromolecular structures stemming from NMR, X-ray and cryo-EM techniques. Interconnected with PDBe, CSA, ChannelsDB, OPM, UniProt to help setup and analysis of acquired results. Provides analytics for detection and structural characterization of channels and information about their physicochemical features.

Synonyms: MOLEonline 2.0

Resource Type: analysis service resource, data access protocol, production service resource, service resource, software resource, web service

Defining Citation: [PMID:29718451](https://pubmed.ncbi.nlm.nih.gov/29718451/)

Keywords: biomacromolecular channel, analysis, biomacromolecular pore, biomacromolecular tunnel, transmembrane pore analysis, analysis, biomacromolecular structure, physicochemical feature

Availability: Free, Freely available

Resource Name: MOLEonline

Resource ID: SCR_018314

Alternate URLs: <https://mole.upol.cz/online/>

Old URLs: <http://old.mole.upol.cz/>

Record Creation Time: 20220129T080339+0000

Ratings and Alerts

No rating or validation information has been found for MOLEonline.

No alerts have been found for MOLEonline.
