DIANA Tools

RRID:SCR_018425

Type: Tool

Proper Citation

DIANA Tools (RRID:SCR_018425)

Resource Information

URL: <http://diana.imis.athena-innovation.gr/DianaTools>

Proper Citation: DIANA Tools (RRID:SCR_018425)

Description: Collection of tools to provide algorithms, databases and software for interpreting and archiving data in systematic framework ranging from analysis of expression regulation from deep sequencing data, annotation of miRNA regulatory elements and targets to interpretation of role of ncRNAs in various diseases and pathways. Includes target prediction algorithms microT v4 and microT-CDS, databases of experimentally verified miRNA targets on coding and non-coding RNAs like TarBase v7.0 and LncBase, and software capable of identifying potentially altered molecular pathways by expression of single or multiple miRNAs , mirPath. Provides Web Server (v5.0) to support series of workflows enabling users to perform miRNA analyses.

Resource Type: algorithm resource, data or information resource, database, portal, project portal, service resource, software resource

Keywords: miRNA data, miRNA regulatory element, miRNA target annotation, ncRNA, target prediction algorithm, miRNA target database, miRNA analysis

Availability: Free, Freely available

Resource Name: DIANA Tools

Resource ID: SCR_018425

Record Creation Time: 20220129T080340+0000

Record Last Update: 20260905T132836+0000

Ratings and Alerts

No rating or validation information has been found for DIANA Tools.

No alerts have been found for DIANA Tools.
