FunGene

RRID:SCR_018749

Type: Tool

Proper Citation

FunGene (RRID:SCR_018749)

Resource Information

URL: <http://fungene.cme.msu.edu/>

Proper Citation: FunGene (RRID:SCR_018749)

Description: Functional gene pipeline and repository. Functional gene repository provides collections of genes in interactive platform, while functional gene pipeline offers suite of tools for functional gene amplicon processing and analysis. Together they enable key steps in functional gene based microbial community analysis, from target selection and primer analysis to amplicon processing and ecological discovery.

Synonyms: FunGene Pipeline

Resource Type: analysis service resource, data or information resource, data repository, database, production service resource, service resource, software resource, software toolkit, storage service resource

Defining Citation: [PMID:24101916](#)

Keywords: Gene processing, microbial ecology, functional genes, amplification primers, phylogeny, biogeochemical cycles, amplicon analysis, ecological discovery, microbial community

Funding: NIDDK UH3 DK083993;
NIEHS ;
NIEHS P42 ES004911;
Office of Science U.S. Department of Energy ;
USDA National Institute of Food and Agriculture

Availability: Free, Freely available

Resource Name: FunGene

Resource ID: SCR_018749

Record Creation Time: 20220129T080341+0000

Record Last Update: 20260905T132842+0000

Ratings and Alerts

No rating or validation information has been found for FunGene.

No alerts have been found for FunGene.
