Proper Citation: Vermont University Larner College of Medicine Microscopy Imaging Center Core Facility (RRID:SCR_018821)

Description: Core provides imaging equipment including JEOL 1400 transmission electron microscope with AMT 11 megapixel digital camera, JEOL JSM 6060 scanning electron microscope with attached Oxford INCA energy dispersive spectroscopy detector for element analysis, Nikon Air HD confocal scanning laser microscope, Nikon C2 confocal scanning laser microscope, Andor Spinning Disk confocal microscope, Zeiss LSM 7 Multiphoton confocal microscope, Nikon STORM super-resolution light microscope, Olympus BX50 research microscope for transmitted light, phase contrast, and epi-fluorescence microscopy, Asylum Research MFP-3D BIO atomic force microscope, Asylum Research Cypher Environmental atomic force microscope, Arcturus XT-Ti Laser Capture Microdissector system, Olympus IX70 inverted microscope with associated Applied BioPhysics Electri Cell-Substrate Impedance Sensing (ECIS Ztheta) system, Leica VERSA 8 whole slide imager, Dell workstations containing Molecular Devices MetaMorph image analysis software for complex quantitative image analysis, Indica Labs HALO software, Improvion Volocity, MBR StereoInvestigator.

Abbreviations: MIC

Synonyms: , UVM - Microscopy Imaging Center, Vermont University Larner College of Medicine Microscopy Imaging Center, University of Vermont Larner College of Medicine Microscopy Imaging Center

Resource Type: access service resource, core facility, service resource

Keywords: USEdit, microscopy imaging, transmission electron microscope, microscope, image analysis service, ABRF

Funding: NCRR S10RR025498;
NIH Office of the Director 1S10OD025030

Availability: Open

Resource Name: Vermont University Larner College of Medicine Microscopy Imaging Center Core Facility

Resource ID: SCR_018821

Alternate IDs: ABRF_22

Alternate URLs: <https://coremarketplace.org/?FacilityID=22>

Record Creation Time: 20220129T080342+0000

Record Last Update: 20260905T133417+0000

Ratings and Alerts

No rating or validation information has been found for Vermont University Larner College of Medicine Microscopy Imaging Center Core Facility.

No alerts have been found for Vermont University Larner College of Medicine Microscopy Imaging Center Core Facility.
