Proper Citation: PROSPERO (RRID:SCR_019061)

Description: International database of prospectively registered systematic reviews in health and social care, welfare, public health, education, crime, justice, and international development, where there is health related outcome. Key features from review protocol are recorded and maintained as permanent record. Aims to provide comprehensive listing of systematic reviews registered at inception to help avoid duplication and reduce opportunity for reporting bias by enabling comparison of completed review with what was planned in protocol.

Resource Type: data or information resource, database, narrative resource, standard specification

Keywords: Gold standard authority, registered systematic reviews, reviews in health, reviews in social care, reviews in welfare, reviews in public health, reviews in education, reviews in crime, reviews in justice, reviews in international development, health related outcome, protocol, FASEB list

Funding: NIHR

Availability: Free, Freely available

Resource Name: PROSPERO

Resource ID: SCR_019061

Record Creation Time: 20220129T080343+0000

Record Last Update: 20260905T132846+0000
