CAIRN

RRID:SCR_019101

Type: Tool

Proper Citation

CAIRN (RRID:SCR_019101)

Resource Information

URL: <https://delaney.shinyapps.io/CAIRN/>

Proper Citation: CAIRN (RRID:SCR_019101)

Description: Web tool to graph all copy number alterations present in segment file. Custom data is permitted. Allows to display copy number alterations which overlap user specified region, to quantify number of amplified CNAs and deleted CNAs. Visualization tool to explore copy number alterations discovered in published cancer datasets. Intended to help oncology community observe of relative rates of amplification, deletion, and mutation of interesting genes and regions.

Synonyms: Copy Alterations Intuitive Rendering Navigator

Resource Type: data access protocol, data processing software, data visualization software, software application, software resource, web service

Defining Citation: [PMID:31923184](#)

Keywords: Deleted CNAs quantification, Copy Number Alterations, segment file, data visualization, published cancer datasets CNAs, amplified CNA quantification
