Mash

RRID:SCR_019135

Type: Tool

Proper Citation

Mash (RRID:SCR_019135)

Resource Information

URL: <https://github.com/marbl/Mash>

Proper Citation: Mash (RRID:SCR_019135)

Description: Software tool for genome and metagenome distance estimation using MinHash. Reduces large sequences and sequence sets to small, representative sketches, from which global mutation distances can be rapidly estimated.

Resource Type: data analytics software, software application, software resource

Defining Citation: [PMID:27323842](#)

Keywords: Genome distance estimation, metagenome distance estimation, MinHash, mutation distance, sequence, sequence set

Funding: NHGRI ;
NIH

Availability: Free, Available for download, Freely available

Resource Name: Mash

Resource ID: SCR_019135

Alternate IDs: OMICS_10468

Alternate URLs: <https://mash.readthedocs.io/en/latest/>,
<https://sources.debian.org/src/mash/>

License: BSD license

Record Creation Time: 20220129T080343+0000

Record Last Update: 20260905T133305+0000

Ratings and Alerts

No rating or validation information has been found for Mash.

No alerts have been found for Mash.
