Proper Citation: vioplot (RRID:SCR_019293)

Description: Software R package for extensive customization of violin plots. Violin plot is combination of box plot and kernel density plot.

Resource Type: data processing software, data visualization software, software application, software resource, software toolkit

Keywords: violin plots, box plot, kernel density plot

Availability: Free, Available for download, Freely available

Resource Name: vioplot

Resource ID: SCR_019293
