ChIPseeker

RRID:SCR_021322

Type: Tool

Proper Citation

ChIPseeker (RRID:SCR_021322)

Resource Information

URL: <https://bioconductor.org/packages/ChIPseeker/>

Proper Citation: ChIPseeker (RRID:SCR_021322)

Description: Software package to retrieve nearest genes around peak, annotate genomic region of peak, implements statistical methods for estimate significance of overlap among ChIP peak data sets, and incorporate GEO database for user to compare own dataset with those deposited in database. Several visualization functions are implemented to summarize coverage of peak experiment, average profile and heatmap of peaks binding to TSS regions, genomic annotation, distance to TSS, and overlap of peaks or genes.

Resource Type: software resource, software toolkit

Defining Citation: [PMID:25765347](#)

Keywords: Retrieve nearest genes around peak, annotate genomic region of peak, overlap estimate significance, ChIP peak data sets

Availability: Free, Available for download, Freely available

Resource Name: ChIPseeker

Resource ID: SCR_021322

Record Creation Time: 20220129T080354+0000

Record Last Update: 20260905T133307+0000

Ratings and Alerts

No rating or validation information has been found for ChIPseeker.

No alerts have been found for ChIPseeker.
