Open Data Commons for Traumatic Brain Injury

RRID:SCR_021736

Type: Tool

Proper Citation

Open Data Commons for Traumatic Brain Injury (RRID:SCR_021736)

Resource Information

URL: <https://odc-tbi.org>

Proper Citation: Open Data Commons for Traumatic Brain Injury (RRID:SCR_021736)

Description: Software as cloud based community driven repository to store, share, and publish traumatic brain injury research data. Aims to increase transparency with individual level data, enhance collaboration, facilitate advanced analytics, and conform to increasing mandates by funders and publishers to make data accessible. Members of ODC-TBI have access to private digital lab space managed by PI or multi-PIs for dataset storage and sharing. PIs can share their labs??? datasets with registered members of ODC-TBI community and make their datasets public and citable. ODC-TBI implements stewardship principles that scientific data be made FAIR (Findable, Accessible, Interoperable and Reusable).

Abbreviations: ODC-TBI

Resource Type: data or information resource, data repository, disease-related portal, portal, service resource, storage service resource, topical portal

Keywords: Data Commons, traumatic brain injury data, traumatic brain injury, brain injury data, FAIR

Availability: Restricted

Resource Name: Open Data Commons for Traumatic Brain Injury

Resource ID: SCR_021736

Alternate IDs: r3d100014124

Alternate URLs: <https://doi.org/10.34945/>, <https://dx.doi.org/10.34945/>, <https://doi.org/10.17616/R31NJNE4>

Record Creation Time: 20220129T080357+0000

Ratings and Alerts

No rating or validation information has been found for Open Data Commons for Traumatic Brain Injury.

No alerts have been found for Open Data Commons for Traumatic Brain Injury.
