Proper Citation: Rio de Janeiro Cell Bank (RRID:SCR_023181)

Description: Collection as result of joint work of scientists, technicians and students from Federal University of Rio de Janeiro and Technical-Scientific Association Paul Ehrlich. Center of reference and excellence in cell culture in Brazil and in our continent. Collection of human and animal cells that operates as service provider in Brazil and is the largest in South America.

Abbreviations: BCRJ

Synonyms: Banco Células do Rio de Janeiro (BCRJ)

Resource Type: biomaterial supply resource, cell repository, material resource

Resource Name: Rio de Janeiro Cell Bank

Resource ID: SCR_023181
